

GRACIOUS GIFTS: RAISING FUNDS & AWARENESS

Fertile Dreams Conference Awards Couples

On June 3, three Central Florida couples were awarded a fully paid IVF cycle and costs of medication at the inaugural Embracing Hope Gala, a fundraiser for couples with fertility issues who need IVF to conceive. The awards were courtesy of **Mark P. Trolice, M.D.**, and Fertility C.A.R.E. of Winter Park, which is now accepting applications from couples for next year's gala.

Top to bottom: Wade and Barbara West speak at the Fertile Dreams Conference; Dr. Trolice (left) meets with Amanda Ober (middle) and Judy Hulsey at the inaugural Embracing Hope Gala.

OCHD Offers Allergy Trigger Assessments

The Orange County Health Department's Environmental Health Program is offering basic visual home assessments to identify potential sources of allergy triggers or irritants in the home.

Services include identification of common allergy and asthma triggers, carbon monoxide monitoring, and identification of volatile organic compounds.

Based on assessment findings, corrective and preventive recommendations are provided, along with educational consultation.

Patients can be referred for this service.

OPENING NEW DOORS

ENT Specialist Opens Office in Lake Mary

ENT specialist **Cecelia Damask, D.O.**, recently opened a practice in Lake Mary. Dr. Damask moved to Central Florida from North Carolina, where she taught high school for several years before pursuing her medical degree.

"My patients in North Carolina often remarked that one of the things they liked most about having me as their physician was that I always explained things to them in terms that they could understand. Perhaps that is a direct result of my years as a teacher," Dr. Damask said.

Winter Park to Celebrate Grand Opening of Medical Village

The Medical Village at Winter Park invites the community to attend a grand opening celebration on Thursday, Sept. 28. The celebration will take place between 10 a.m. and 2 p.m. at the new Medical Village at 483 N. Semoran Blvd. The event will feature health talks by local physicians as well as health screenings for blood pressure, cholesterol, glucose, balance, and equipment.

The Medical Village at Winter Park will house an ambulatory sur-
